CASE NO. C07-01995 SBA

The three related patent actions listed above have all been stayed since January 15, 2009,  
by Order of this Court. The Order stayed the proceedings “pending resolution of the

1 reexamination of the '737 patent by the United States Patent and Trademark Office or until a  
 2 determination of the District Court of Columbia in the *Dow Jones* litigation, whichever occurs  
 3 first." Dkt No. 149. The court in the *Dow Jones* litigation has now held that the patents-in-suit  
 4 are invalid, and the parties hereby seek a continuance of the stay in these related actions.

5 **I. Notice of Disposition and Appeal in the *Dow Jones* litigation.**

6 The parties hereby jointly notify the Court that the District Court of Columbia in the *Dow*  
 7 *Jones* litigation issued a decision granting Dow Jones' Motion for Summary of Judgment  
 8 regarding the validity of U.S. Patent No. U.S. Patent No. 6,961,737 (the '737 patent) and U.S.  
 9 Patent No. 6,295,530 ('530 patent) on July 15, 2009. Declaration of Linda J. Thayer ("Thayer  
 10 Decl."), ¶2. Copies of the Order and Memorandum by the Court are being submitted with this  
 11 Motion. Thayer Decl., ¶¶3-4.

12 On July 28, 2009, Ablaise and General Inventors Institute A filed a Notice of Appeal  
 13 signaling its intent to appeal to the United States Court of Appeals for the Federal Circuit the Final  
 14 Judgment entered in that matter, as well as all issues, rulings, and orders including, but not limited  
 15 to, the court's Memorandum and Order granting Dow Jones' Motion for Summary Judgment and  
 16 the Memorandum on claim construction entered on July 11, 2007. A copy of the Notice of Appeal  
 17 is also being submitted with this Motion. Thayer Decl., ¶5.

18 **II. The Parties Jointly Request Continuance of the Stay**

19 The parties have previously fully briefed the issue of whether these related cases should be  
 20 stayed. In light of the ruling in the *Dow Jones* litigation, and Ablaise's appeal, the Parties jointly  
 21 request that the Court continue the stay. Consistent with the Court's prior Order, the parties will  
 22 file a similar report following resolution of the appeal or the reexamination, whichever comes first.
